Fall 2015

General Conference San Antonio, Texas

Network 7, jointly with ASI Southern Union, hosted a booth at the Adventist Church's General Conference Session this year in San Antonio. The production crew went out a few days in advance to produce the Adventist Chaplain's World Congress pre-session meetings. During GC, **N7**/ASI's booth offered promotional items, informational

cards, plus discounts on the purchases of *The Jack Blanco Story* DVDs. **N7** was pleased to be a part of such a groundbreaking session this year in beautiful San Antonio. See more pictures on our Facebook page at facebook.com/network7mediacenter.

Director's Report

Prior to *Mission SONlight* beginning production in the summer of 2007, the 13th Sabbath World Mission Offering in 4th quarter 2006 was \$576,191.53. In 4th quarter 2014, 7 years into *Mission SONlight*, and as a result of additional mission emphasis by the Office of Adventist Mission, the offering was doubled at \$1,107,095.57. This is the highest recorded 13th Sabbath World Mission Offering appropriation in the history of the Seventh-day Adventist Church.

Many human factors could be credited for this incredible rise, but I would first give credit to the Holy Spirit for touching people's hearts. Then, I would note with appreciation that the sacrificial efforts of story-telling by the Media Missionaries at **Network 7**, along with that of donors and friends who are also Media Missionaries, have caused lives to be inextricably transformed for Heaven's sake. Thank you for your prayers and continued support.

This year **N7** celebrates 10 years as a global media ministry that makes an eternal difference. From 65+ countries, millions thank us for telling their stories, sharing their dreams, and listening to their hearts. It's a thrill to be a part of a movement like this.

Network 7 Media Center is a voice that you have made possible to be heard. Thank you.

Speaker Vallie Collins told of her experience and survival aboard flight 1549, which made an emergency landing in the Hudson River January 2009.

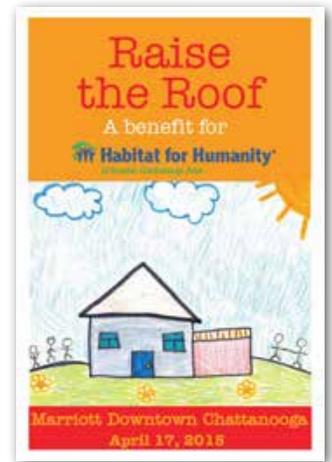

Habitat for Humanity's State Conference was held in Murfreesboro at the New Vision Baptist Church.

Habitat for Humanity Tennessee State Conference

Murfreesboro, Tennessee

In April, **Network 7** produced the year in review video presentation for Habitat of Humanity of Greater Chattanooga. **N7** also filmed the dedication of four homes to thankful families. Because of their involvement with Habitat for Humanity, **N7** was blessed to be able to participate in Habitat for Humanity Tennessee State Conference in Murfreesboro. At this conference were many continuing education opportunities and an extremely motivating talk from Vallie Collins,

a survivor of the plane crash that landed in the Hudson River in 2009. Another speaker was psychologist Carol Grace Anderson, who spoke on burnout in the nonprofit workplace. This conference was a wonderful experience for **N7**, which developed into several new client opportunities and friendships from those met there. Clear Word Media

Christian Television for Youth and Young Adults

Network 7 is pleased to announce the launch of a Adventist Young Adult TV ministry: *Clear Word Media*. *CWM* streams spiritual content produced by young adults for young adults. Kids are bombarded daily with negative programming on TV and online; our intention is to offer traditional Adventist programming that is uplifting and inspiring. *CWM* is available through devices and online where 85%+ of young adults go for information and

entertainment. This is also a savings from the expense of transmitters and satellites in a traditional broadcast operation. Programming includes Bible study and evangelism training, small group studies and round table Bible discussions, biblical sermons, mission programs, and wellness presentations. Rather than name this new venture Clear Word TV, we chose "Media" because the channel will eventually be available on your device through apps and include a radio channel. Please pray that as this new ministry gets underway, many young adults are blessed through the efforts of those at **N7**. Watch now at clearwordmedia.org. 📺

Blab TV Tennessee Valley

Coming October 2015

In other news, **Network 7** will be the new producer of *Blab TV Tennessee Valley* beginning October 1, 2015. Originally launched in Pensacola, FL, *Blab TV* is a great opportunity for those who are looking to spread their message about community events, business services, and products. Continuous streaming of paid and sponsored programming

highlights businesses in the area, and promotes them in a way that is easily accessed by the public online. All of the advertisements are for businesses based in the community, so it is always relevant to what is happening in and around the Chattanooga and Tennessee Valley area. **N7** is proud to be the producers of *Blab TV TN Valley!* Visit us on *Blab TV* at tennesseevalley.webchannel13.com in October.
